

1. Please confirm that we are to install projectors and speakers provided by owner in our scope as we did on McKinney. If that is correct, what cables need to be provided to the projector? (HDMI, USB, RS232, VGA?)

~~Please List all for owner to select~~

By OWNER

2. As you see, the drawing below indicates plam cabinets for the uppers, and Birch for the lowers , and all the cubbies. The photos in the in the color information file show everything as PLAM. Can you confirm all the millwork is to be PLAM ?

Counter top in the lobby (both reception desk and behind) and pass thru window in the kitchen are the only area received Bianco Venato Quartz

All the rest of counter tops to be P. Lam ' Pionite Phantasy PH 7001)

All other millwork to be P. Lam , including the cubbies, "Wilsonart Skyline Walnut 7964.
